

Greta Long Sofa

Greta Long Sofa

Named after 60's iconic star Greta Garbot, it captures the soul of the era and features welcomes spaces. While allowing effective construction of limited spaces, Greta adapts to its environment with its rich color and material options.

Greta Long Sofa is designed to carry Greta's retro lines to an extended dimension and to conform numerous users at the same time.

With extra-long size of the sofa is not only eye catching, it is impossible to miss the fascinating impact for all large public spaces. For wide spaces like welcoming areas at the offices or hotel lobbies, Greta Long Sofa is the ideal solution.

Designed by Nurus D Lab

Nurus D Lab, always up to date with both scientific and technological developments; designs products that are ahead of their time by observing the needs of users and listening to their dreams. The end product that is presented to the user is the best one among countless options, emerging from brilliant ideas. Nurus D Lab manages all the steps that are taken from setting the brand's design strategy to the market launch.

Fascinating impact for all large public spaces...

Dimensions defined in millimeters.
