

Greta

## Greta

Greta is a wide range sofa family named after 60's iconic star Greta Garbot, it captures the soul of the era and features in welcoming spaces. It is suitable for home, workplaces and all kind of lounges with its family line.

While allowing effective construction of limited spaces and personalization with its back shelf option, Greta adapts to its environment with its rich color options.

## Designed by Nurus D Lab

Nurus D Lab, always up to date with both scientific and technological developments; designs products that are ahead of their time by observing the needs of users and listening to their dreams. The end product that is presented to the user is the best one among countless options, emerging from brilliant ideas. Nurus D Lab manages all the steps that are taken from setting the brand's design strategy to the market launch.
