

Greta Bank

Greta Bank

Greta Bank adds movement to living areas and maximizes office space serving multi-purpose usage. It can be used in many places from common areas to homes and work areas having a contemporary design making past meet with the future. It provides unity for home, workplaces and all kind of lounges with its wide family line.

Named after 60's iconic star Greta Garbot, it captures the soul of the era and features welcomes spaces. While allowing effective construction of limited spaces and personalization with its back shelf option, Greta adapts to its environment with its rich color options. Its durable structure, soft quilted fabric and lightness help make spaces comfortable. Greta creates warm and fun spaces.

Designed by Nurus D Lab

Nurus D Lab, always up to date with both scientific and technological developments; designs products that are ahead of their time by observing the needs of users and listening to their dreams. The end product that is presented to the user is the best one among countless options, emerging from brilliant ideas. Nurus D Lab manages all the steps that are taken from setting the brand's design strategy to the market launch.
