## Grace and strength in detail.

Leadership is rarely a trait, but a combination of managerial skills. Likewise, the combinations of materials that constitute the Inno line are held together by fine workmanship, design and technological solutions.

Introduce the empowering details of wood, leather and metal into your business. For executive working areas and meeting spaces...

## Dazzle with details.

Free from cable clutter with **Nurus Links®**.  
Easy access VGA, HDMI, USB, data connections, power switches and more...

- Touch operated deskpad with customizable locking pattern.
- Jewelry box style compartments.
- Optional **Nurus Links®** with wireless mobile charging support
