Connect

Design by İnci Mutlu

Connect

With a unique design and circular form, Connect adds rhythm and dynamism to architectural structure and interior design.

Wide product family of Connect and Connect Jr. including sofas, pouffes, and coffee tables helps build spaces according to your needs. Optional movable coffee tables of Connect and Connect Jr. collections offer a space to store your personal belongings, newspapers and magazines.

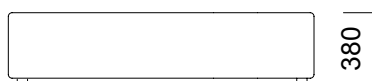

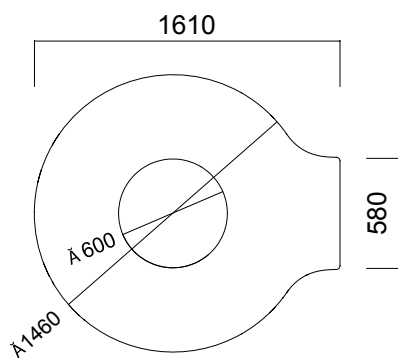

Rich colour variety of Connect makes it easy to accommodate to interior design, bringing cosiness and warmth to all shared spaces.

Design by İnci Mutlu

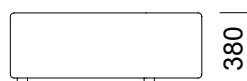

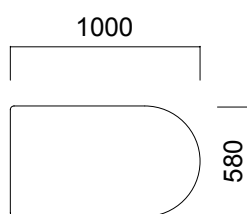

Born in Ankara in 1972, İnci Mutlu got her degree on Industrial Product Design department in METU. After completing her master's degree in Hacettepe University, she attended various workshops in Domus Academy, Milano. After working for Isao Hosoe Design Studio for a while, these days she continues her works in Mutlu & Milano Design Studio, which she co-founded with Luca Milano. Brands she works with include Koziol, Jongform, Next Edition, Faber, Restonic, Vitra Eczacıbaşı, Vitra Karo, Nurus, Handles, Hisar, Manul, Beko/Arçelik and others.
