Cork

Design by **Aziz Sariyer**

Cork

With an unusual design and simple look, Cork provides an alternative choice for a variety of spaces including social areas such as cafés and restaurants, as well as waiting rooms and lounge areas.

Cork benches inject a new dimension to architectural texture with 2 meters of length and linear design, whilst 50 cm diameter pouffes turn the usage space into a unique area. Pouffes with upholstery that offers a rich variety of colours will seamlessly blend into any space.

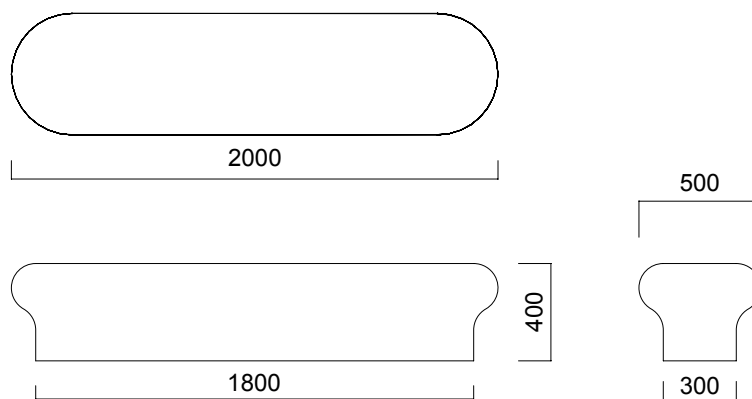

Design by Aziz Saryer

Born in Istanbul in 1950, Aziz Saryer established Derin Design in 1971 and started designing furniture and interiors professionally. His passion and determination for his work has made him a worldwide renowned figure in world design community. He developed his collection for Derin in 1999, and in only a year he achieved a significant position among world leading brands. Saryer has worked with Cappellini, Moroso, Zeritalia and Scia.

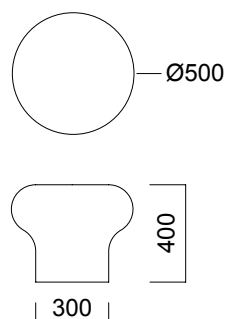

Selected for 100 designers of 21st century encyclopaedia in 2004 by Terence Conran publish group of UK, Saryer has made great contributions for Turkish design features to reach design values developed worldwide.
