## **As luxurious and comfortable as a throne.**

Featuring lines influencing architectural structure and a design resembling a throne, Peak is an ideal choice for waiting rooms and lounge areas, as well as cafés and restaurants. Spotlighting individuality through a high backrest that decreases environmental impact, Peak establishes personal spaces in open areas.

Sublime and  
eye-catching.

A black and white close-up portrait of an elderly man with a serious expression. He has deep wrinkles on his forehead and around his eyes. His hands are clasped together in front of his chin. He is wearing a dark, textured jacket. The background is dark and out of focus.

A close-up photograph of a dark purple, textured fabric, possibly a suit jacket, with the word "nurus" overlaid in a bold, white, sans-serif font. The fabric has a fine, woven texture and is draped, creating soft folds and shadows. The background is a plain, light grey color.
