Design by Aziz Sariyer

Extraordinary influence...

Rock has a striking design that distinguishes various environments, including waiting rooms, lounge areas, cafés and restaurants.

Assertive and sublime...

A black and white close-up portrait of an elderly man with a serious expression. He has deep wrinkles on his forehead and around his eyes. His hands are clasped together in front of his chin. He is wearing a dark, textured jacket. The background is dark and out of focus.

The image features an abstract, geometric composition. On the left side, there are dark, textured planes that appear to be part of a larger structure, possibly a staircase or a modern architectural element. The right side is dominated by a smooth, light gray gradient that transitions from a darker shade at the bottom to a lighter shade at the top. In the center, the word "nurus" is written in a bold, white, lowercase sans-serif font. The overall aesthetic is clean, modern, and architectural.
