Taklamakan

Design by **Atilla Kuzu**

Taklamakan

Designed to suit human body form with inspiration from intersecting lines of nature and daily life, Taklamakan effortlessly establishes a natural and cosy atmosphere.

Taklamakan is an ideal choice for open offices, homes, and public spaces. It is included in permanent collection of Marta Herford Modern Art Museum.

Taklamakan collection features alder, polycor, and lacquered options. This collection has made itself a name in international scene as a finalist of wooden furniture design contest in Asahikawa, Japan, which is a triennial organization with the motto 'Design with Love, Love with Wood'.

Design by Atilla Kuzu

Atilla Kuzu has graduated from Interior Design Department of Marmara University in 1987, and he established Zoom T.P.U. company the same year. He still provides interior architecture and product design services in his company. His clients include Beymen, Vakko, Yargıcı, and Derimod.
