Tau Collection at a Glance

Design by **Nurus D Lab**

Versatile and functional, whether during work or having guests over.

Rich product family of Tau adds a dose of modest elegance to your homes and work spaces, as well as social areas such as cafés and restaurants.

Tau

A photograph of a modern interior space. In the foreground, a round, light-colored table is supported by a central pedestal base. Four orange upholstered chairs with metal frames are arranged around the table. The background features a wall with a grid pattern of purple panels. To the left, there is a dark-framed mirror or window. To the right, a white door is visible. The floor is a dark, textured carpet. The word "nurus" is overlaid in the center in a bold, white, lowercase sans-serif font.
