Isola Meeting

Design by **Nurus D Lab**

Isola Meeting

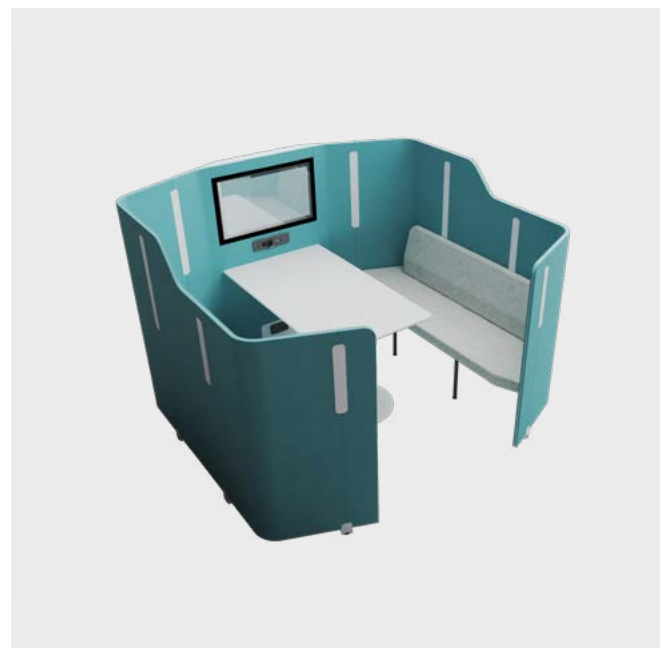

Isola Meeting Module creates defined spaces to conduct minute meetings, brainstorm sessions, and teamwork efforts efficiently. Coming in a carefully calculated height, Isola Meeting provides sound isolation to minimize environmental impact and maximize focus. Utilizing **NurusLinks®** connection in presentations, meetings, and teleconferences, data transfer and multimedia sharing is now child's play!

Isola Meeting helps develop a new wave of work culture, creating modern, functional and dynamic spaces suitable for 4-6 people.

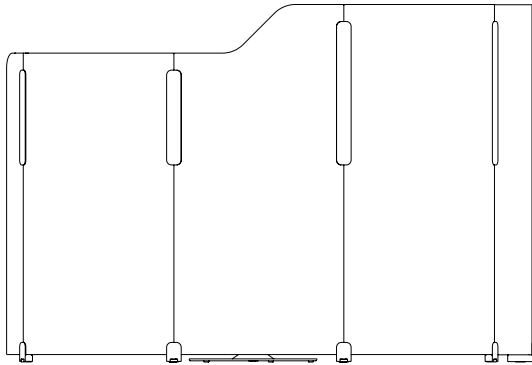

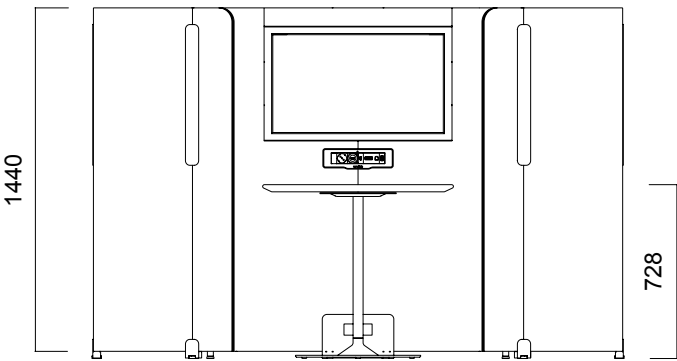

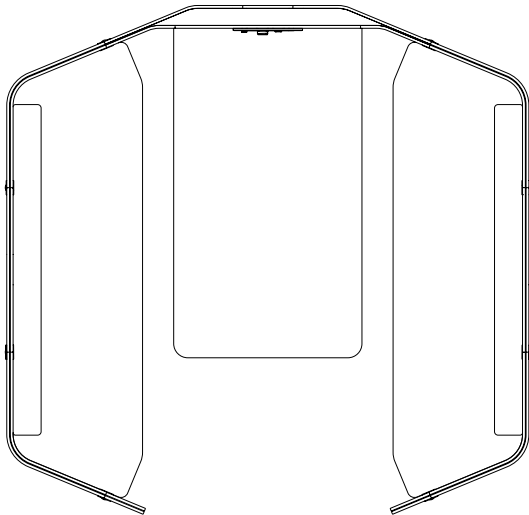

Design by Nurus D Lab

Always up-to-date with science and technology, Nurus D-Lab designs products that are ahead of their time. Through human-centered observation, prototyping and in respect to trending needs and dreams, the team works diligently. Coming up with meaningful and reflective design solutions only marks the start of the process: From strategy to launch and support, D-Lab manages it all. Each detail is attended and tested through at the advanced level.

Excellent choice for teamwork: Isola Meeting
