

Renée

## Renée

Renée is a compact solution for cozy and sincere workspaces with its functional design and sophisticated features. Renée's distinctive metal side brackets, thin and ergonomically contoured tabletops and slender legs define elegance.

Renée Low comes with an eco-leather desk pad and lower brackets. The high quality desk pad eases the daily use with anti-stain technology. Thin and ergonomically contoured tabletop endorses the sincere atmosphere with natural wood surface.

Renée creates a relaxed work environment at home, fitted with an electrification solution, the desk gives access to all your power connections from your seat and reduces cable clutter.

## Designed by Nurus D Lab

Nurus D Lab, always up to date with both scientific and technological developments; designs products that are ahead of their time by observing the needs of users and listening to their dreams. The end product that is presented to the user is the best one among countless options, emerging from brilliant ideas. Nurus D Lab manages all the steps that are taken from setting the brand's design strategy to the market launch.

Keep clean, desk pad is anti-stain.
