M Chair Low Backrest

Design by **Nurus D Lab**

M Chair Low Backrest

It's the business attitude: From executive areas to meeting areas and workspaces, M-Chair is a line of chairs designed with a complementary approach. Overall, it implies and strengthens qualities of trust and prestige.

Make your chair match your corporate style with a range of color, texture and fabric options. Ideal for home offices, guest areas and meeting halls.

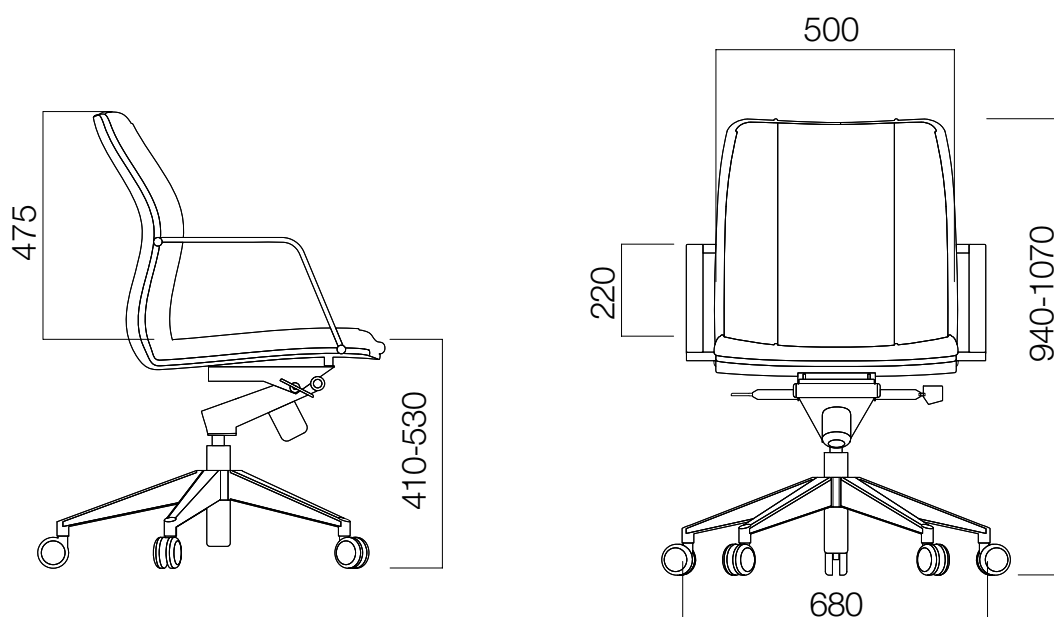

M Chair Low Backrest also has a fixed mechanism with adjustable height and without armrests versions. With 5-star base on castors. Can be used with or without the armrests. With adjustable height.

Design by Nurus D Lab

Always up-to-date with science and technology, Nurus D Lab designs products that are ahead of their time. Through human-centered observation, prototyping and in respect to trending needs and dreams, the team works diligently. Coming up with meaningful and reflective design solutions only marks the start of the process: From strategy to launch and support, D Lab manages it all. Each detail is attended and tested through at the advanced level.
