# M Chair Collection

Design by **Nurus D Lab**

---

## **Corporate looks, first class comfort.**

It's the business attitude: From executive areas to meeting areas and workspaces, M Chair is a line of chairs designed with a complementary approach. Overall, it implies and strengthens qualities of trust and prestige.

With pivot point located near the front edge, the M Chair features a knee tilt mechanism that allows up to 16 degrees of back tilt motion. Adjust backrest tension to your body weight or lock it 6 preset positions.

- High or low backrest on 5-star caster base.
- Also offered as a spring chair on U-shaped aluminum pedestal frame.
- In fabric, leather and eco-leather material.

## **Backrest Curve**

Inspired by the natural curve of the human anatomy, the M-Chair supports your body perfectly, providing for a comfortable and more appropriate sitting experience.

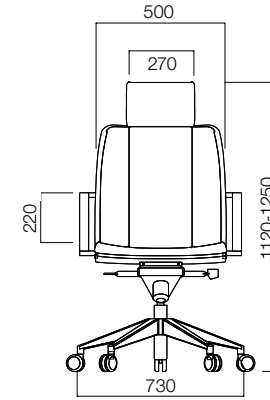

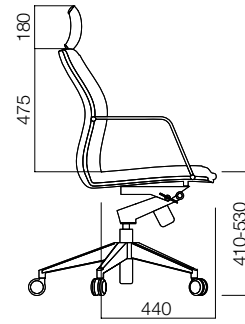

## **Organic Form**

Ensures better spinal alignment and reduces stress on your lower back and legs.
