Waves Collection

Design by **Paul Brooks**

Energy and harmony at work and in living spaces.

Dynamic sitting with high-tech, elastic mesh backrest that smoothly adapts to your movements. Continuous organic form unites backrest with the seat pan. Highly adaptable -to both you and your surroundings- with its elastic structure. An interrupted figure from lightweight, uni-body frame in black or light grey.

Waves allows up to 9 degrees backwards and a degree of forward motion. Waves Fix with its return spindle, which swivels in both directions when seated and returning the seat automatically to original position when vacated.

Waves promotes safety and ease of use in shared work areas, meeting spaces and educational environments, training centers, hotels, libraries, home offices and more.

- Lightweight frame.
- Structural flexibility with durable mesh backrest.
- High-quality manufacturing and finish.
- With 5-star caster base on wheels or 4-star swivel base.
