Ashbury Collection

Design by **Stefan Brodbeck**

The fine line between execution and fashion.

Today's managers face many challenges and ultimately, when it comes to making decisions, it's better to do them in style. Design infused with technology and efficiency: Ashbury is the definitive answer to modern administrative needs. Redefine executive offices through Ashbury's contemporary and distinctive solutions, break the hierarchy.

Smooth and distinctive features of Ashbury imply gender equality and corporate wellness. Its design geometry allows for effective and intimate face-to-face communication. Asymmetrical, Oval and Triangular versions, coupled with storage units in a matching style of design build integrity and equality in the workplace.

- Optional built-in HD monitor on side cabinets feature a touch activated hide and reveal mechanism.
- Optional **Nurus Links**® with wireless mobile charging support and easy access to USB & electrical connections.
- Optional eco-leather desk pad available in 3 different colors.

nurus links®
