Brooklyn Storage

Design by **Nurus D Lab**

Brooklyn Storage

Brooklyn takes its name from the famous, iconic Brooklyn Bridge. True to this eponym, it is precisely and mathematically designed with the latest manufacturing techniques. This geometric interpretation to us, is reminiscent of the strength of a bridge.

Cabinets and open bookshelves that may be used in combination with other items of the Brooklyn line, as well as a range of Nurus products. With wide product line and in various sizes, it is a classy fit for managerial or meeting areas and VIP lounges; also living spaces like homes and cafes.

Design by Nurus D Lab

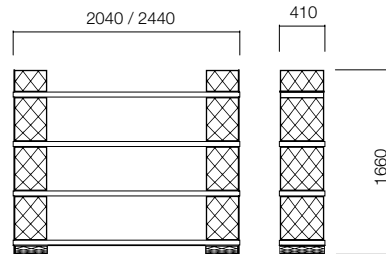

Always up-to-date with science and technology, Nurus D Lab designs products that are ahead of their time. Through human-centered observation, prototyping and in respect to trending needs and dreams, the team works diligently. Coming up with meaningful and reflective design solutions only marks the start of the process: From strategy to launch and support, D Lab manages it all. Each detail is attended and tested through at the advanced level.
