# Noor Desks

Design by **Nurus D Lab**

---

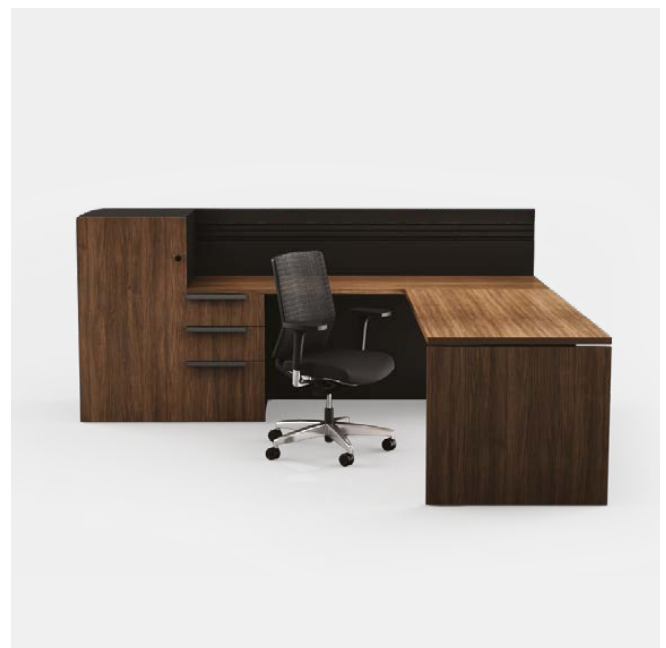

## Noor Desks

Noor's mirrored arrangements help reorganize and redefine work areas that allow build a sense of equity, especially among populated units. Enhance cooperation and communication without compromise on privacy and independence. Noor worktable with storage units is a clever way to increase productivity.

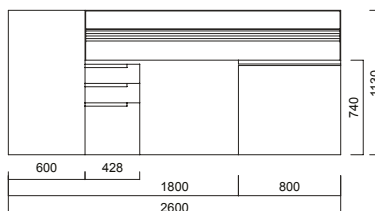

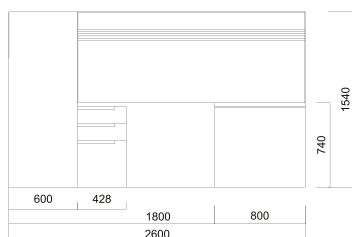

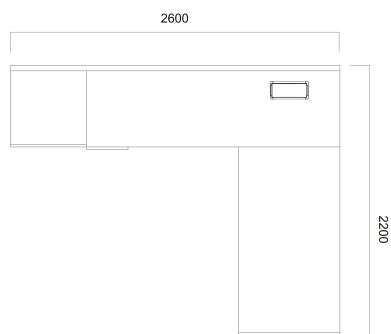

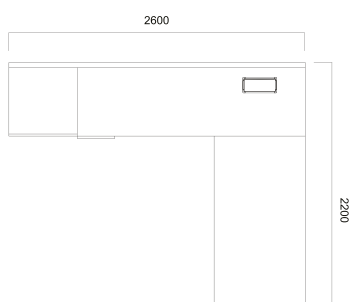

Singular or mirrored arrangements of Noor desks help create redefined work environments that encourage a sense of communication. With 18 mm tabletop thickness: Natural, vinterio, recomposed veneer or melamine.

## Design by Nurus D Lab

Always up-to-date with science and technology, Nurus D Lab designs products that are ahead of their time. Through human-centered observation, prototyping and in respect to trending needs and dreams, the team works diligently. Coming up with meaningful and reflective design solutions only marks the start of the process: From strategy to launch and support, D Lab manages it all. Each detail is attended and tested through at the advanced level.
