Cushions

The background of the image features a collection of pillows. On the left, a dark teal pillow is partially visible, showing a pattern of concentric, semi-circular lines. In the center and foreground, there are several light-colored pillows, possibly white or light grey, which are covered in a pattern of thin, dark, concentric, semi-circular lines. The pillows are arranged in a way that creates a sense of depth and texture. The word "nurus" is superimposed over the center of the image in a bold, white, sans-serif font.
