Drop Collection

Design by **Aksu-Suardi**

Romantic and elegant supplement to your living space.

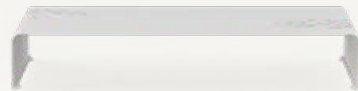

With its simple and elegant design, Drop is an ideal choice for all living spaces from executive offices to homes or work spaces to social areas. Drop has a smooth and clear look with its monoblock structure, easily fitting into usage space with a rich product family and colour options.

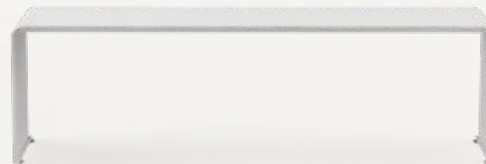

Drop has a smooth and stylish look with elegant patterns, and monoblock structure that displays masterful craftwork.

Drop has a wide product family which includes square, patterned square, patterned rectangle, console, and cart stand, while preserving the balance and integrity of decoration.

Drop coffee tables easily harmonise with environment design and other furniture with colour options; you can utilize them effectively in all living spaces from executive offices to homes or work spaces to social areas.
