# Sema

Design by **Alper Böler & Ömer Ünal**

---

## Sema

Inspired by Mevlevi whirling ceremony Sama, Sema collection was designed by focusing on peace, balance, and harmony. It is a functional option for all living spaces, including homes, work spaces, waiting rooms, hotel rooms, and cafés.

Sema easily fits into usage space with a range of colour options, and magazine-holder version facilitates your daily life.

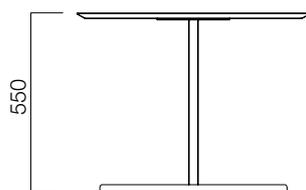

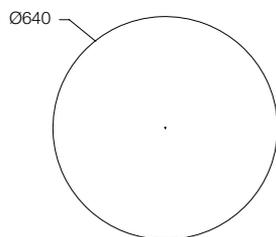

## Design by Alper Böler & Ömer Ünal

Both designers Ömer Ünal and Alper Böler completed their education in Industrial Product Design department of Marmara University. They are still providing interior and product design services under Unal & Boler Studio, which they co-founded in 2000.

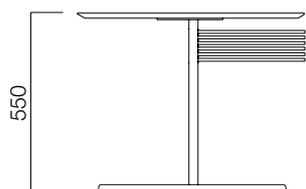

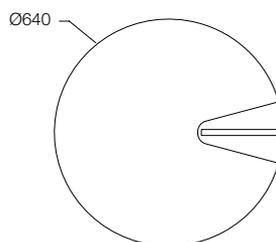

**Dance of harmony and balance.**
