Hi & Lo Coffee Tables

Design by İnci Mutlu

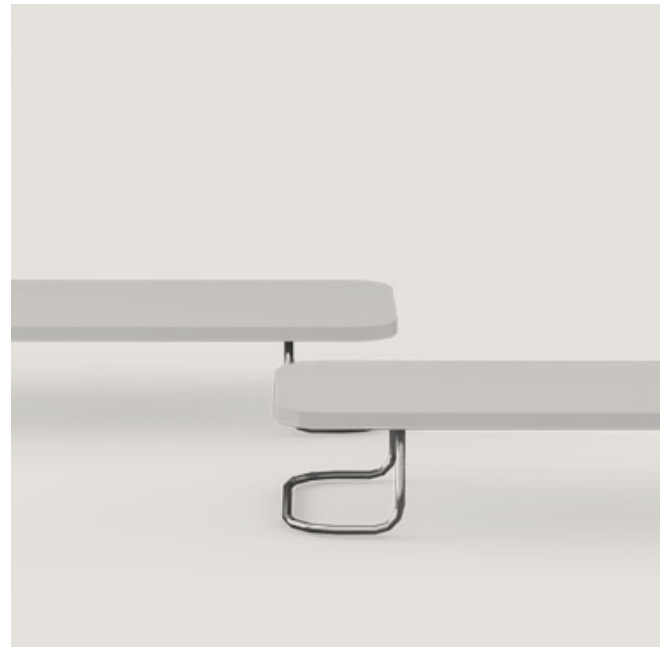

Hi & Lo Coffee Tables

Hi & Lo coffee tables feature a dynamic product language and extraordinary design to add dynamism and liveliness to usage space.

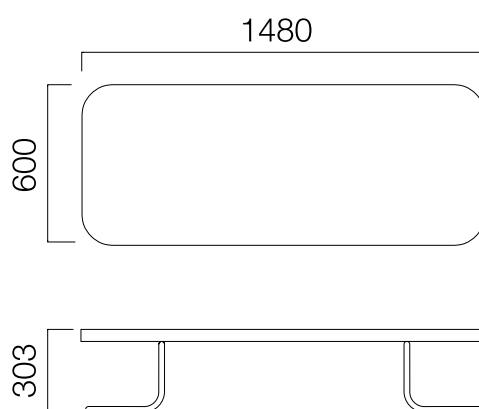

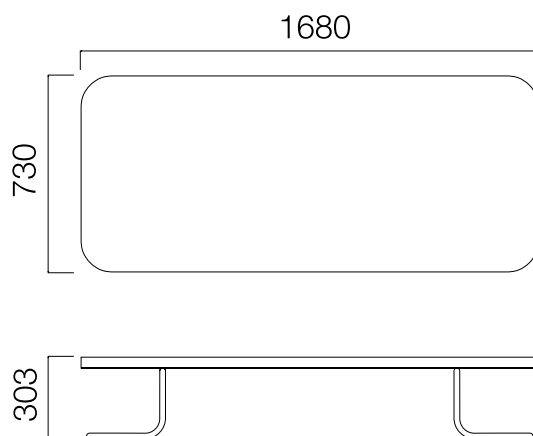

Hi & Lo coffee tables, which can be utilized with other items from product family or other Nurus products, offer a space for personal belongings, snacks and drinks, along with newspapers, magazines and different accessories.

Design by İnci Mutlu

Born in Ankara in 1972, İnci Mutlu got her degree on Industrial Product Design department in METU. After completing her master's degree in Hacettepe University, she attended various workshops in Domus Academy, Milano. She had worked as a freelance designer in Istanbul between 1998-2000, and continued on to work for Isao Hosoe Design Studio for a while.
