## Gate Exe Desks

Gate Exe desks are designed for executives with different working habits and styles. You can choose to utilize Exe desks with two legs or one side leaning on the nightstand, enabling you to design your workspace to meet your needs. Gate executive desks feature a variety of widths, as well as front panel options.

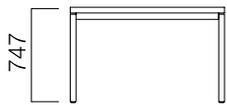

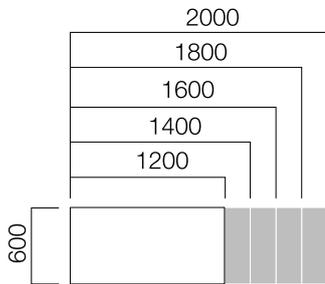

## Design by Nurus D Lab

Always up-to-date with science and technology, Nurus D-Lab designs products that are ahead of their time. Through human-centered observation, prototyping and in respect to trending needs and dreams, the team works diligently. Coming up with meaningful and reflective design solutions only marks the start of the process: From strategy to launch and support, D-Lab manages it all. Each detail is attended and tested through at the advanced level.
