Pila Storage

Design by **Nurus D Lab**

Pila Storage

Pila helps you utilize your workspace efficiently and functionally with storage units that come in a variety of length and width choices.

Pila features executive cabinets to match executive desks. Side cabinets come in different sizes; 170 and 200 cm cabinets can also be utilized with top cabinets.

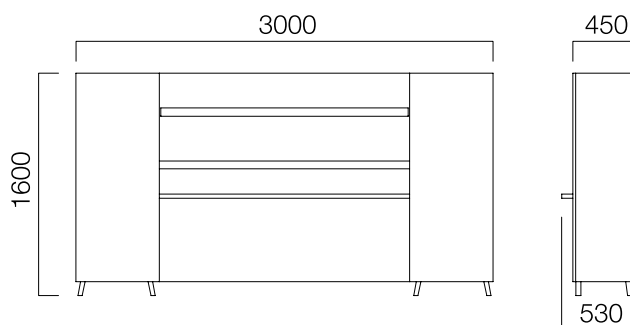

In addition to serving as storage and table leg for 2 or 3 legged versions, Pila side cabinets also deliver CPU carriers and cables from ground to desktop.

Design by Nurus D Lab

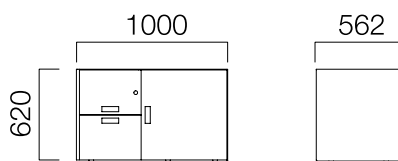

Always up-to-date with science and technology, Nurus D-Lab designs products that are ahead of their time. Through human-centered observation, prototyping and in respect to trending needs and dreams, the team works diligently. Coming up with meaningful and reflective design solutions only marks the start of the process: From strategy to launch and support, D-Lab manages it all. Each detail is attended and tested through at the advanced level.
