# Plato Workstations

Design by **Nurus D Lab**

---

## Plato Workstations

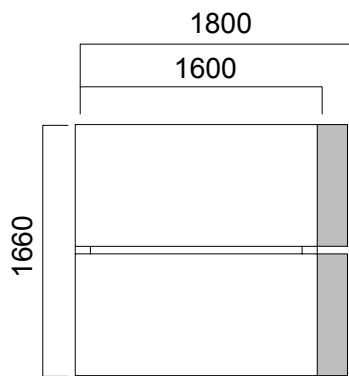

Designed for work groups of two or three, Plato workstations facilitate designing workspaces efficiently and functionally. In addition to encouraging communication and cooperation between employees, Plato workstations can also provide separate individual workspaces with middle panels.

## Design by Nurus D Lab

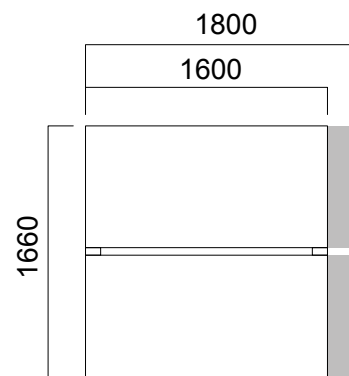

Always up-to-date with science and technology, Nurus D-Lab designs products that are ahead of their time. Through human-centered observation, prototyping and in respect to trending needs and dreams, the team works diligently. Coming up with meaningful and reflective design solutions only marks the start of the process: From strategy to launch and support, D-Lab manages it all. Each detail is attended and tested through at the advanced level.

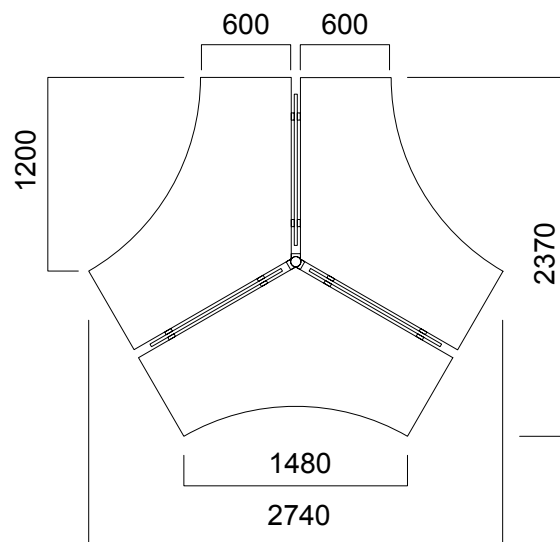

DIMENSIONS (mm)

Double Desk W:166cm

Double Desk with Single Leg W:166cm

Triple Workstation

Dimensions defined in millimetres.

**Materials**

Table slab is made of melamine. Middle panels can be melamine or fabric. Legs are made of powder painted metal.\*
