U Too Storage Units

Design by **Aksu-Suardi**

U Too Storage Units

Designed to suit different and variable working styles and habits, U Too also facilitates creating flexible and functional workspaces with storage units.

U Too commodes can be utilized individually or as table support; they help prevent cable mess, while providing easy access to electrical connections with mounted cable canals. Commodes also feature accessories such as paper holder and middle panels, which help customize and utilize the work space efficiently and functionally.

U Too cabinets offer different drawer and cabinet door choices, making them suitable for use with U Too work systems and desks, as well as other Nurus products.

Design by Aksu-Suardi

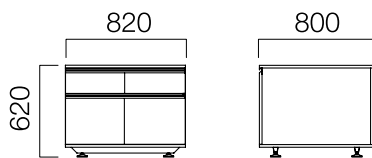

Following his works in Stuttgart, Paris ve Milano, Sezgin Aksu started working in collaboration with Michele De Lucchi in his Milano based studio in 1996. Silvia Suardi started her career in Michele De Lucchi Studio, and worked there for 10 years. In 2001, her and Sezgin Aksu together established AKSU/SUARDI Studio, where they provided industrial, furniture, and graphic design in a wide range from public spaces to home decoration. Certain brands they have provided consultancy services to include Antonangeli, Caimi Brevetti, Credit Agricole Asset Management (CAAM), Eurizon Capital Sgr Spa, eDePadova, Gebrüder Thonet Vienna, Nemo-Cassina, Poltrona Frau, Olivetti, Rubinetteria Teorema, Slide and Serafino Zani.
