# Isola Media Wall

Design by **Nurus D Lab**

---

## Isola Media Wall

With open offices occupying an increasingly larger share in modern business life, new work habits emerge. Isola Media Wall perfectly aligns with such emerging habits, providing adaptability with all Nurus products.

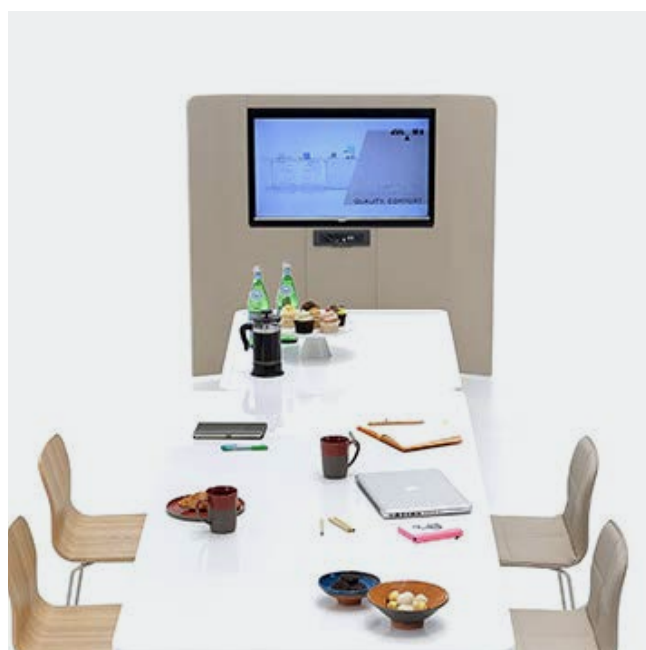

Media Wall features **Nurus Links®** connection, providing a complete solution for presentations, training sessions, and meetings; featured screens up-to 32" enable conducting data transfer, multimedia sharing, and teleconferences with a snap. Media Wall facilitates data interaction with a wide variety of mobile devices including laptop computers and notebooks, enabling you to conduct presentations, teleconferences, and video conferences without leaving your seat.

Media Wall helps convert work spaces into minute meeting, training, and presentation areas immediately.

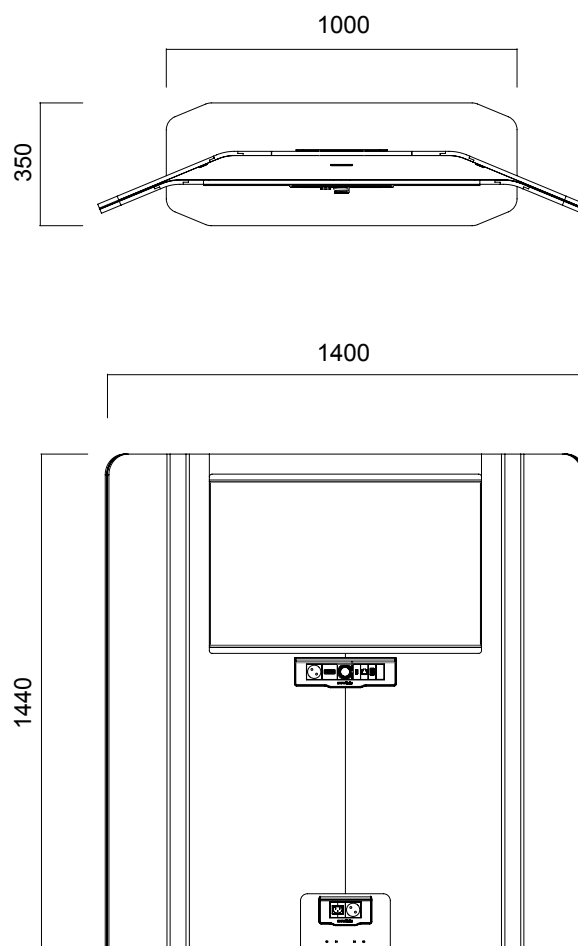

## Design by Nurus D Lab

Always up-to-date with science and technology, Nurus D-Lab designs products that are ahead of their time. Through human-centered observation, prototyping and in respect to trending needs and dreams, the team works diligently. Coming up with meaningful and reflective design solutions only marks the start of the process: From strategy to launch and support, D-Lab manages it all. Each detail is attended and tested through at the advanced level.

**Perfect fit for emerging business life demands and trends.**
