R2

Design by Nurus D Lab

R2

Inspired from wise, charitable, and cute droid R2-D2, R2 facilitates daily life with high functionality.

Providing great comfort with upholstered seating surface offering a rich variety of colour and material choices, R2 introduces dynamism to all living spaces including workspaces, education centres, homes, cafés, and social areas.

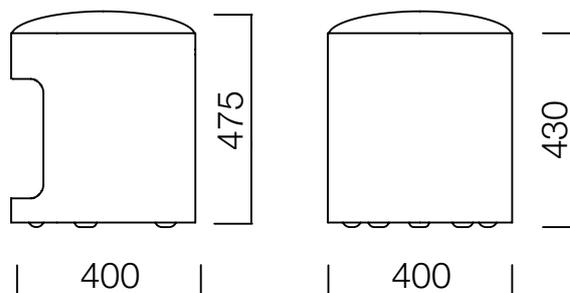

R2 helps you store your personal belongings with the section under seating surface, while providing a functional experience with optional writing pad.

Design by Nurus D Lab

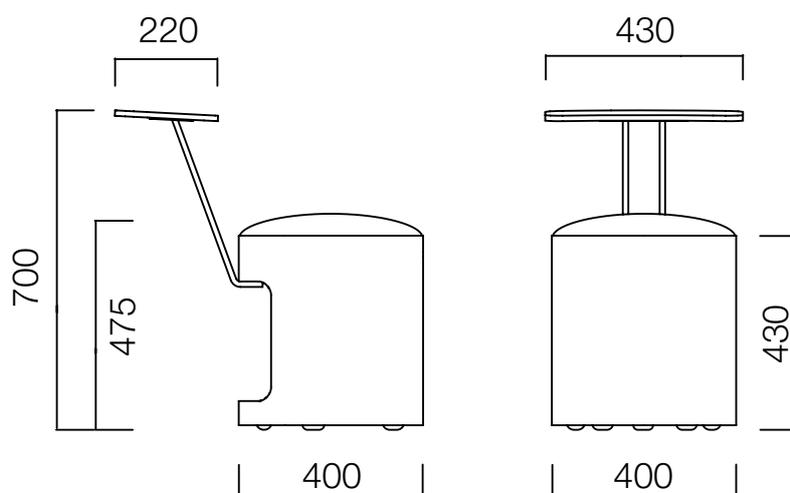

Always up-to-date with science and technology, Nurus D-Lab designs products that are ahead of their time. Through human-centered observation, prototyping and in respect to trending needs and dreams, the team works diligently. Coming up with meaningful and reflective design solutions only marks the start of the process: From strategy to launch and support, D-Lab manages it all. Each detail is attended and tested through at the advanced level.
